

CLIENT MAINTAINED CERTIFICATION

Please be advised that we request that USMCA be claimed on all items where the country of origin indicated is Canada, Mexico or U.S., unless BCB is explicitly advised otherwise, including but not limited to a claim pursuant to the provisions of 9801 (U.S. Goods Returned).

We will maintain the USMCA Certificate of Origin in our office as required by 19 CFR §163.

When we ship new articles, we will add them to the USMCA certificate with all required information.

We understand that the USMCA Certificate of Origin, along with all supporting documentation to support a USMCA claim must be readily available to Customs & Border Protection (CBP) upon request.

Finally, we acknowledge and understand that as the importer of record, all entry documentation, including the Certificate of Origin and supporting documentation, must be kept for 5 years from the date of the entry.
